

# HELPFULGAMES

**HELPFULGAMES** is the tool for teaching students using gamified learning.

Membership is **free!**

## SELF-CORRECTIVE HOMEWORK

As a teacher you can create your own games. Let the students play the games as assignments and you get self-corrective homework.

## USE EXISTING IT

Works with computers, tablets and smart boards, since all you need is a web browser.

## BEAUTIFUL BEHAVIOR REPORTS

Create reports on assignments, games or a student – comprehensive and in real-time.

You've got the pedagogy –

**HELPFULGAMES** gives you the possibilities!

Daniel Lind, founder

## USE WHEREVER YOU WANT

All games work just as well at home as in the classroom.

## COLLABORATE WITH OTHER TEACHERS

Create groups of students and team up with your colleagues.

Join thousands of others, sign up for free:
